

KOL PARTNER DECK

Partner-Level Referral Program

Where crypto meets real life. Help your audience spend stablecoins on everyday needs while you earn from activations and lifetime spending.

What your audience can use the card for

FX & TRADING

Cross-border payments, platform payouts, and multi-currency spending.

AI & SAAS

ChatGPT, Claude, Midjourney, and subscriptions that reject local cards.

EVERYDAY LIFE

Online shopping, dining, travel, and ATM cash - online and offline.

Why creators care

Lifetime commission

Keep earning while referred users keep using their cards, even if you pause promotion.

Try before content

Free card after registration, KYC, and RedotPay ID confirmation. Test before publishing.

Audience discount

Exclusive 20% off card activation for your audience.

Performance support

We track real activations and support creators who bring quality users.

Earnings structure

Standard commissions plus extra monthly activation bonuses.

40%

Card activation commission

Earn per card activated through your referral link, referral code, or eligible discount code.

0.25%

Spending commission

Earn ongoing passive income on every dollar your referred users spend.

10%

Tier 2 commission

Earn from sub-partners you introduce.

20%

Custom discount code

Exclusive activation discount for your audience.

Monthly challenge

Extra bonus based on new user activations in the active campaign period.

Activations	Bonus
10+	\$50
30+	\$100
100+	\$300
200+	\$600
300+	\$900
400+	\$1,200

Campaign details may change by period. Final terms follow the active rules shared by the RedotPay team.

Onboard, test, then scale

Free card and referral setup first, performance review next.

How to onboard

- 1 Register a RedotPay account.
- 2 Complete KYC verification in the RedotPay app.
- 3 Send us your RedotPay ID for confirmation.
- 4 We arrange a free card so you can test the product first.
- 5 We set up your referral link, referral code, and custom discount code.
- 6 Create content in your own style and include referral information.
- 7 We track activations, user spending, and campaign performance.

Paid collaboration policy

We are open to paid deals, but new partners usually start with a trial. Review performance within 2-4 weeks after the first video or private group post. Strong results can lead to a long-term contract or upfront budget discussion.
