🎥 Recommended Video Structure

1 Pain Point Introduction (Opening · 30–60 sec)

Goal: Create resonance — make viewers feel "this is exactly my problem."

Please mention real pain points that local users face, such as:

- No Visa card, unable to complete international payments
- Local bank cards are heavily restricted, online payments often fail
- Need to pay for subscriptions, online shopping, travel, and bills
- Holding crypto but don't know how to use it for daily spending
- Want to convert crypto to local currency but the process is complicated

Naturally introduce RedotPay:

"Today I'm introducing a solution — RedotPay, which lets you use crypto to handle all your payment needs."

2 Quick Introduction to RedotPay (Brand Overview · 30–45 sec)

Key points to cover:

- ✓ Global Visa card, works online and in-store
- ✓ Supports Apple Pay / Google Pay
- ✓ Supports fiat & crypto deposits and withdrawals
- ✓ Simple and fast KYC process
- ✓ You can talk benefits which are more suitable for your audience if possible

NEW Highlight Pro Membership:

"RedotPay has also launched its Pro Membership — upgrade to enjoy 3% cashback, free ATM withdrawals, and a points-based prize draw where you can win real physical rewards!"

Membership Subscription & Points Feature Demo (Hands-on · 2–3 min)

Please walk through the following steps (no need to explain every detail):

Membership Subscription:

- Open the App → Navigate to the Pro Membership section
- Show the Monthly vs Annual plan selection screen
- Complete the subscription flow (payment screen)
- Show the membership benefits page after successful subscription

Points Feature:

- Show the points balance screen
- Demonstrate how points accumulate after a card transaction
- Walk through redeeming points for prize draw tickets
- Show the prize pool & draw history page

 **Privacy Reminder:** Please cover or blur any sensitive information during screen recording, including card numbers, verification codes, email addresses, phone numbers, wallet addresses, and transaction hashes.

Suggested Script:

"Once you subscribe to Pro, every card transaction automatically earns you points. You can redeem those points for prize draw tickets, and the winner is determined by Ethereum blockchain data — completely fair and tamper-proof."

P2P & Deposit — How to Top Up Your Account (1–2 min)

Please demonstrate:

P2P Top-up:

- Open the App → Navigate to the P2P section
- Show how to buy crypto / top up via P2P with local currency
- Demonstrate a sample P2P transaction flow
- Highlight that P2P supports local payment methods (bank transfer, etc.)

Deposit:

- Show how to deposit crypto directly into your RedotPay wallet
- Demonstrate supported networks and tokens
- Show the balance update after a successful deposit

! Privacy Reminder: Please cover or blur any sensitive information during screen recording, including card numbers, verification codes, email addresses, phone numbers, wallet addresses, and transaction hashes.

🔑 Suggested Script:

"Not sure how to top up? No worries — you can use the P2P feature inside the app to buy crypto with your local currency, or simply deposit crypto directly into your RedotPay wallet. Once funded, you're ready to activate your card and start spending."

5 NEW RedotPay Pro Membership + Points Prize Draw (Feature Spotlight · 1–2 min)

⚡ This is the biggest upgrade from the previous Guideline — please highlight this section!

How the Points Prize Draw Works:

- 🏠 Every card transaction → automatically earns points
- 🎟️ Redeem points for prize draw tickets
- 🏆 Prize pool fills up → draw triggers automatically → win real physical prizes
- 🔗 Results are determined by Ethereum blockchain data — fully fair and transparent

Suggested Script:

"With RedotPay Pro, you're not just saving money — you're earning rewards every time you spend. And since the draw results are determined by blockchain data, no one can manipulate the outcome."
