

Link RedotPay to Google Pay

⚠️ **If the above steps don't work in your country**, your Google account region may be restricted. Please follow **Part 3** below to change your region to Singapore first, then try again.

Part 1: Add RedotPay Card to Google Pay (Android)

1. Open the **「Google Wallet」** App on your Android phone
 - *(Don't have it? Download from Google Play Store)*
 2. Tap **「Add to Wallet」**
 3. Select **「Payment card」**
 4. Tap **「New credit or debit card」**
 5. **Scan your RedotPay Visa card** or enter details manually:
 - Card Number
 - Expiry Date
 - CVV Security Code
 6. Agree to the Terms & Conditions
 7. Complete verification (SMS code / verify inside RedotPay App)
 8. ☒ RedotPay card successfully added to Google Pay!
-

Part 2: Add RedotPay Card to Google Account (for Google Play / YouTube Premium etc.)

1. Go to **「Google Play Store」**
2. Tap your **profile picture** in the top right corner
3. Go to **「Payments & subscriptions」**
4. Tap **「Payment methods」**
5. Tap **「Add a card」**
6. Enter your **RedotPay Visa card details**:
 - Card Number

- Expiry Date
- CVV

7. Fill in the **Billing Address** when prompted:

Billing Address (Copy & Fill In)

Field	Details
Street Address	10 Bayfront Avenue
City	Singapore
State/Province	Singapore
Postal Code	18956
Country	Singapore
Phone Number	+65 6688 8868

8. Tap 「**Save**」

9.  RedotPay card is now linked to your Google Account!

 **If adding the card still fails**, please follow **Part 3** below to switch your Google Play country to Singapore first.

Part 3: How to Change Your Google Play Country to Singapore

(Only needed if Part 1 or Part 2 fails)

1. Open 「**Google Play Store**」
2. Tap your **profile picture** in the top right corner
3. Go to 「**Settings**」
4. Tap 「**General**」 → 「**Account and device preferences**」
5. Tap 「**Country and profiles**」
6. Select 「**Singapore**」
7. When prompted for a payment method, select 「**Skip**」 or add your RedotPay card directly

8. Wait **48 hours** for the region change to fully take effect
9.  Your Google Play country is now set to Singapore — retry adding your RedotPay card!

 **Note:** Google only allows a country change **once per year**, so make sure Singapore works for you before confirming!

 What You Can Do After Linking

Use Case	Description
Google Pay (In-store)	Tap to pay at any NFC-supported store
Google Pay (Online)	Fast checkout on supported websites & apps
Google Play Purchases	Buy apps, games, subscriptions & in-app items
YouTube Premium	Pay for YouTube Premium with RedotPay
Google One / Storage	Pay for Google cloud storage plans

 Troubleshooting

Issue	Solution
Card not supported	Make sure your RedotPay card is fully activated
Verification failed	Open RedotPay App to approve the verification request
Billing address rejected	Use the Singapore address provided above exactly as shown
Google Pay not available in my country	Follow Part 3 to switch region to Singapore first
Country change option not showing	Make sure you are connected to a Singapore VPN before changing
