Video Objective

Give viewers a **quick, practical update** on RedotPay, focusing on **real-life usability** and **recent key upgrades**, especially Apple Pay and crypto-to-fiat transfers.

Suggested Content Structure (by %)

Quick Intro & Context ($\approx 10\%$)

Briefly introduce RedotPay and why you're mentioning it again

Position it as a **useful update**, not a full review

Example angle: *"A quick update on what's new with RedotPay lately"*

New RedotPay App UI ($\approx 15\%$)

Show the **new version of the app**

Highlight that the UI has been refreshed and is more intuitive

No need for deep walkthrough — **visual mention is enough**

Focus: *cleaner / smoother / easier to use*

Apple Pay Reactivation & How to Add the Card ($\approx 45\%$) [Key Focus]

Clearly explain that **Apple Pay is available again**

Walk viewers through:

How to add the RedotPay card to Apple Wallet

What it's like to use Apple Pay with a crypto card in daily life

Emphasize **real-world usage scenarios**:

Paying in-store

Online purchases

Everyday spending

This should be the **core value section** of the video

Send Crypto → Receive Fiat Tutorial ($\approx 25\%$)

Demonstrate or explain:

Sending crypto and receiving fiat (PKR / USD / EUR, etc.)

Mention that **10+ fiat currencies are supported**

Highlight the **0 fee campaign** briefly

Keep it practical and high-level (no need to list all currencies)
