1 Hook (Opening · 0–5 sec)

Goal: Stop the scroll in the first 3 seconds.

Pick one hook style:

Problem Hook:

"Your bank blocked your payment again? Here's the fix."

Curiosity Hook:

"I spent crypto at a regular store — here's how."

Result Hook:

"I just won a prize just by using my debit card. Let me show you."

2 Quick Product Intro (5–15 sec)

One or two sentences max — keep it punchy:

"RedotPay gives you a real Visa card powered by crypto. Works online, in-store, Apple Pay, Google Pay — everywhere."

3 Pro Membership & Cashback — Verbal Explanation (15–40 sec)

Goal: Clearly explain the value of Pro in plain language before showing the screen.

Must Cover:

-  What Pro Membership is and why it's worth it
-  3% cashback on every card transaction
-  Monthly vs Annual plan options
-  Points Prize Draw — earn points by spending, redeem for draw tickets, winners picked by Ethereum blockchain

Suggested Script:

"RedotPay just launched Pro Membership. Upgrade and you get 3% cashback on every single purchase — that adds up fast. There's a monthly plan at \$12.9, or go annual at \$129 and you also get a free physical card and free ATM withdrawals. On top of that, every time you use your card, you earn points. Redeem those points for prize draw tickets, and the winner is chosen by Ethereum blockchain data — completely transparent, no manipulation."

Optional add-ons to mention if time allows:

-  P2P top-up with local currency
-  Direct crypto deposit
-  Supports Apple Pay / Google Pay

4 Quick App Demo — Show the Key Screens (40–70 sec)

Goal: Let viewers see it's real — fast and visual, no long explanation needed.

Show these screens in quick cuts (3–5 sec each):

-  Pro Membership plan selection screen (Monthly vs Annual)
-  Cashback or points balance screen
-  Prize draw / prize pool page
- *(Optional)* P2P top-up screen
- *(Optional)* Deposit screen

 **Privacy Reminder:** Cover or blur card numbers, verification codes, email, phone, wallet addresses, and transaction hashes.

5 Call to Action (Last 10–15 sec)

"Link is in my bio / description. Use my code for 20% off your card. New users also get a \$5 reward — don't miss it. And once you're in, upgrade to Pro and start earning cashback from day one."
