Date	31st July & 1st August 2026
Duration	2 Days
Expected Attendance	300+ Attendees
Target Audience	Students, Academic Staff, Developers, Entrepreneurs
International Guests	Delegates from Europe & the United States
Organiser	XRPL Africa
Collaborating Partner	University of Ghana Authorities

02. ABOUT THE EVENT

The XRPL Africa Campus Tour — Ghana Edition is a two-day flagship ecosystem education and community engagement event taking place at the University of Ghana, Accra in August 2026. It is designed to introduce students, developers, academic staff, and innovators to the XRP Ledger ecosystem through immersive learning, hands-on workshops, and meaningful networking.

Africa is home to one of the world's fastest-growing youth populations and one of the most active digital economies. Yet access to practical blockchain education and ecosystem participation remains limited. This event directly bridges that gap, positioning the XRP Ledger at the heart of Africa's emerging technology conversation.

The University of Ghana is one of Africa's foremost institutions, a recognised hub for innovation, leadership, and academic excellence, making it the ideal launchpad for this activation.

03. EVENT OBJECTIVES

- ◆ Introduce the XRP Ledger ecosystem to students, developers, and academic communities in Ghana.
- ◆ Provide hands-on blockchain education through structured workshops and bootcamp sessions.
- ◆ Build a strong, connected XRPL community presence across West Africa.
- ◆ Create long-term adoption pathways for future builders and contributors.
- ◆ Foster collaboration between academia, industry, and the global blockchain ecosystem.
- ◆ Showcase Africa's growing role in the future of decentralised technology and digital finance.

04. EVENT STRUCTURE & PROGRAMME

Day 1 — Developer Bootcamp & Technical Education

Focused on developers, Computer Science students, and technically-oriented attendees.

TIME	ACTIVITY

05. EXPECTED ATTENDEES

The event is designed to attract a diverse and high-calibre audience of 300+ attendees, including:

- ◆ University of Ghana students across Computer Science, Engineering, Business, and related faculties.
- ◆ Academic staff, lecturers, and faculty administrators from the University of Ghana.
- ◆ Software developers, blockchain builders, and tech entrepreneurs based in Ghana.
- ◆ Representatives from fintech companies, startups, and digital innovation hubs.
- ◆ Community members from the broader XRPL Africa ecosystem.
- ◆ International delegates from Europe and the United States , including blockchain leaders, XRPL contributors, and global Web3 innovators.

The presence of international delegates from Europe and the United States makes this a truly global gathering on African soil , offering attendees direct access to world-class knowledge, networks, and opportunities.

06. KEY ACTIVITIES & FEATURES

-
- ◆ Hands-on Developer Workshops ; Practical, beginner-to-advanced sessions on building with the XRP Ledger.
 - ◆ Blockchain Education Talks ; Clear, accessible introductions to XRPL, DeFi, tokenisation, and digital finance.
 - ◆ Panel Discussions ; Industry leaders and international delegates sharing insights on Africa's blockchain future.
 - ◆ Networking Sessions ; Structured opportunities connecting students, developers, academics, and ecosystem partners.
 - ◆ Exhibition Zone ; Showcasing XRPL-based projects, tools, and community initiatives.
 - ◆ Community Onboarding : Registering attendees into the XRPL Africa community for ongoing engagement.
 - ◆ Certificate of Participation ; Issued to all attendees who complete the two-day programme.

07. ABOUT XRPL AFRICA

XRPL Africa is a community-driven initiative advancing awareness, education, and adoption of the XRP Ledger across the continent. Through workshops, strategic partnerships, and developer-focused programmes, we create pathways for students, builders, entrepreneurs, and innovators to discover and build on XRPL , grounded in three core pillars: Education, Community, and Innovation.

XRPL Africa is in talks with team members from Ripple, the organisation behind the XRP Ledger , as well as major ecosystem projects including yellow , Anodos finance, XRPL commons,. We have successfully executed campus tours at the University of Ilorin, University of Benin, FUNAAB, and the University of Lagos , establishing ourselves as the continent's leading grassroots XRP Ledger community initiative.

08. WHY THIS EVENT IS RELEVANT TO REDOT PAY

The XRPL Africa Campus Tour, Ghana Edition presents a unique opportunity for RedotPay to engage directly with the next generation of digital finance users, builders, and innovators across Africa.

Supporting this initiative enables RedotPay to:

- Connect with 300+ university students, developers, entrepreneurs, and early adopters who are actively exploring blockchain technology, digital payments, and financial innovation.

XRPL AFRICA CAMPUS TOUR GHANA

University of Ghana, Accra | August 2025

-
- Increase brand awareness among a young, tech-savvy audience that represents the future of crypto-powered payments and global financial services.
 - Showcase RedotPay's solutions and vision for making digital assets more accessible and usable in everyday transactions.
 - Build meaningful relationships with emerging developers and community leaders who can contribute to the growth of the broader Web3 ecosystem.
 - Align with an educational initiative focused on blockchain adoption, innovation, and financial inclusion across Africa.

As digital asset adoption continues to grow across the continent, partnering with the XRPL Africa Campus Tour positions RedotPay as a forward-thinking leader committed to empowering the next generation of users and builders shaping the future of finance.
